

K.I.K.O EARLY LEARNING CENTER

KIDS IN KIDS OUT

WELCOME PACKET

WELCOME

As early childhood educators we will provide holistic care to every child that attends our program.

Our facility believes in creating a creative developmentally appropriate educational curriculum with Montessori aspects.

Our students reach for the stars and beyond with our S.T.E.M and Life Skill programs.

We believe in supporting our families in all aspects of their lives with our objective being to give your child a strong foundation to build upon.

The tree that thrives, has strong roots to nurture it. With K.I.K.O roots to support your family, your child's future will blossom.

K.I.K.O KEY ELEMENTS

01

Family Support

We believe honesty is the best way. We have an open-door policy. We offer online, books, class resources for every family. We will host cooking, emotional development, parenting classes. We will have families' events once every quarter. We encourage families to get to know one another and support one another. We will offer a parent nights out once every three months to support family's mental health. We are in this together!!!

02

Nutrition and Health Program

Staff will lead an exercise program everyday using different techniques from different culture around the world. Student will learn using their five senses about different fruit or vegetable each week in order to broaden your child horizon. As long as it doesn't affect allergies.

03

Optional Organic/Vegetarian meal program

Our Facility will offer an optional Organic/ Vegetarian meal program for an extra fee. The meal plan will cover Breakfast, AM Snack, Lunch, and Pm Snack. The meal plan we offer daily will be adjusted for each child Nutritional needs. For parent that chose to send their child's lunch /breakfast instead of the Organic/ Vegetarian meal program will still receive AM snack and PM snack daily.

04

Emotional Development

Our staff will work with our students Identifying their emotions, processing their emotions, and communicating their emotions, using tools that are appropriated for each stage of development. We will be working with student on socializing in different settings and working through conflicts that may arise through communication, leading by examples, and using tools that are correct for each stage of development.

05

S.T.E.M program /Life Skill Program

Student will be working on one S, T, E, M project once a week that aligned with our monthly them. The Project will be adjusted to fit each child stage of development. Our teacher incorporates Life Skills Curriculum every day based on our students' stages of development. Through loving guidance and support our Life Skill Curriculum can range from brushing teeth to preparing and cooking food the students has grown.
